## TASTE AT NAIA

*a memorable experience*

Gastronomy on Mykonos is a competitive sport at which Naia excels, taking you on a culinary journey that invites seasoned connoisseurs to savour an array of delicious meals from morning till night.

Wake each morning and follow your nose, to the incomparable aroma of fresh coffee brewed from the finest beans, taking your seat on our balcony for an à-la-carte breakfast. As your appetite shifts with 'Myconian jet-lag', order late afternoon light lunches and cool drinks by the pool at your convenience, followed by signature cocktails at sunset – but keep a spot free for fine dining at Naros, where our executive chef's genius for Mediterranean fusion cuisine is given free rein.

Our meticulous sourcing of the freshest seasonal ingredients and organic produce, as well as local catch and farm-reared poultry and meat, is a key passion. As a Myconian family, cuisine and service remain at the very heart of our sense of hospitality, and our long-standing ties to local farmers and fishermen ensures a supply of the freshest seasonal ingredients and organic produce, some of which is also produced on our family land. We aim uncompromisingly high, because as food connoisseurs, we know all about the importance of placing the highest quality ingredients at our chefs' disposal.

## BREAKFAST AREA

Square one for a perfect day at Naia is breakfast on the terrace. Prepared to suit the tastes and needs of every guest, it offers an embarrassment of choice: organic eggs made to order, freshly baked bread, a variety of cakes and sweets, homemade preserves, wild honey and yoghurt, healthy cereals, raw nuts and seeds, both fresh and dried fruit, superfoods and gluten-free fare. The fresh juices, smoothies and superb coffee in every guise that you will enjoy, continue to flow poolside throughout the day.

## NAROS ITALIAN CUISINE

Naros fulfils Naia's promise of blissful indulgence at a sensory level, as food enthusiasts of every persuasion will be seduced by the aromas and flavours served up by executive chef Panagiotis Tsoukatos. Passionate about expressing the variety of Italian cuisine and preserving pure flavours, his style is a fusion of traditional Mediterranean and international trends.

A flash of molecular technique that adds sparkle and novelty to this fine gastronomic experience. Keeping season with Italy in terms of fresh truffles, artichokes and other sophisticated ingredients, Naros also sustains the simple pleasures of home-made pasta and irresistible pizzette, or a classic tagliata dusted with coarsely crushed tellicherry peppercorns and fresh herbs.

But Naros is also a feast for the senses in terms of its cool sophistication and spectacular views. Connected to the deck and the pool bar, it has a lively, airy ambiance and is adorned with exclusive Italian design touches that include a field of yellow chairs by Moroso, as well as a regiment of brass fittings by design luminaries Giopato & Coombes that cast a gently glow over your superb dining experience.

## BACOS BAR

Bacos is one of the most charming bars on the island, recessed into the deck with beautiful views of the pool and the Aegean.

It's the perfect place to relax at any time of day, enjoy cool refreshments, light snacks and shareable small plates. Get inspired by an exceptional wine collection and invite your friends to fabulous pre-dinner or post-party get-togethers. But whatever you do, don't be anywhere but here as the sun fades and you settle into one of our deep chairs, letting your thoughts drift into the starry evening while savouring one of our special cocktails.
