RESTAURANTS & BARS

Lagoon Swim-up bar Savour classic cocktails and homemade smoothies served to your lounge by our attentive waiters. Or let the ultimate vacation vibe wash over you as you break the surface of our saltwater pool to place your own order at the swim-up bar.

Ambrosia Restaurant & Terrace As night falls, head out to the elegant Ambrosia restaurant to enjoy an à-la-carte menu of unaffected simplicity and a few gastronomic surprises, all of which are an expression of the passionate culinary team's philosophy that nothing is done purely for show. Sea views and candlelight enhance the distinctive culinary experience.

Camares Pool Restaurant Camares serves a delicious selection of fresh salads, light snacks and enticing delicacies to sustain you throughout a day of leisurely bliss spent on the Royal Myconian pool deck. Take your seat at one of our poolside tables under a parasol, or settle into the inviting alcove of rough-hewn stone from which you can survey all of the action and the superb views.

Sunset Terrace This is the perfect perch from which to admire the breathtaking sunset before moving on to Ambrosia. As dusk fades into a star-spangled night, settle back into a sofa on our panoramic terrace while considering your Myconian night's many options and sip sundowners shaken and stirred by our expert barmen.

THE ROYAL MYCONIAN SPA

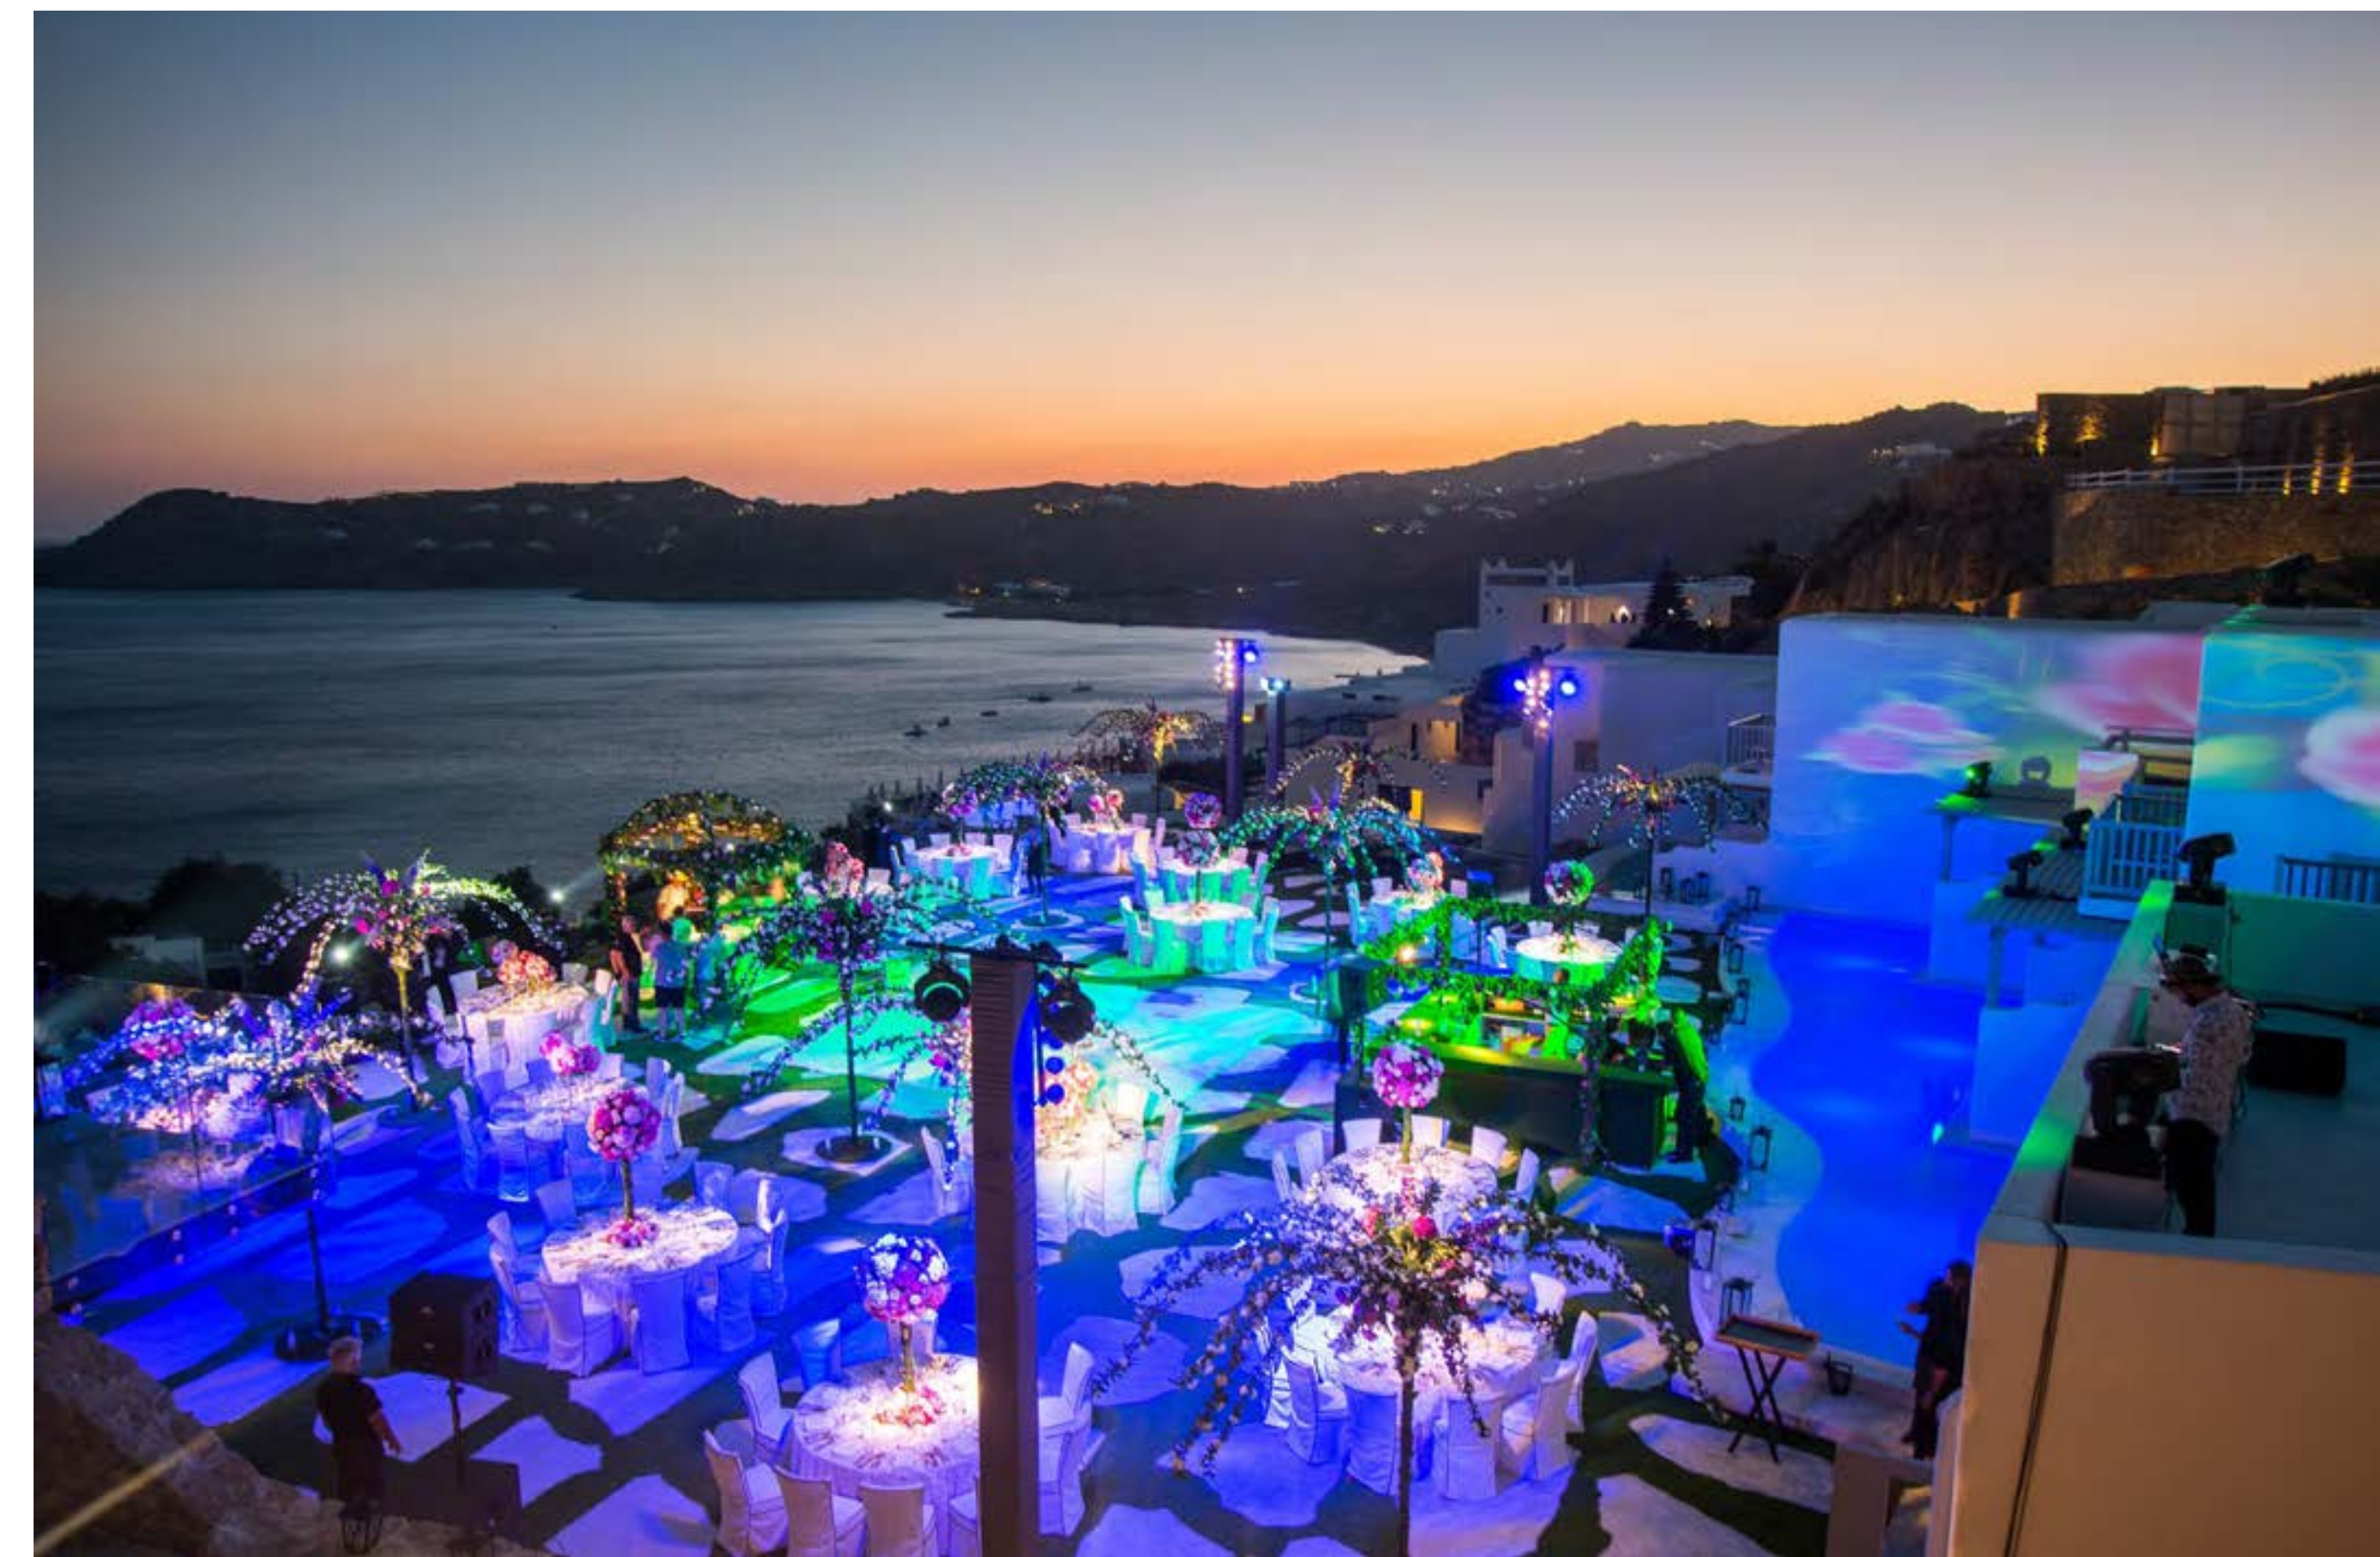

Appointed to the highest standard of comfort with an aesthetic conceived just as much to rejuvenate the mind and body as to relax the senses, the Royal Myconian spa is a cool sanctuary of tranquility and relaxation. Extending the high standards of service evident throughout the hotel, the spa's wide array of treatments showcase traditional rituals combined with a bespoke approach. Nature's most powerful resources are also harnessed and combined in exclusive product ranges from renowned spa companies such as Elemis and St Barth's, selected for their active ingredients and rejuvenating therapies developed through pioneering research.

Welcoming our valued guests to a spa experience with a fresh innovative approach to holistic well-being, the energizing, detoxifying and relaxing treatments have one clear aim: To provide a ticket to pampering and rejuvenation. If you're seeking to look your very best on Mykonos, indulge in one of the signature facial treatments such as the Elemis Pro-Definition & Contour treatment which helps restore the structure of the face through potent, active nutrients that support the extra-cellular matrix, or the Elemis Superfood Pro-Radiance Facial which is rich in superfoods and essential minerals designed to nourished stressed and dull skin. Also offering a gym equipped with state-of-the-art weight training equipment and cardiovascular exercise systems, the fitness room is open from 9 am to 8 pm and ensures an effective workout against a backdrop of the shimmering waters of the Aegean.
