## TASTE AT KORALI

*a memorable experience*

Executive chef Panagiotis Tsoukatos is passionate about the Relais & Châteaux philosophy that marries the art of haute cuisine to the farm-to-table sourcing of the finest seasonal and local ingredients and guides everything that comes of his kitchen.

'The emphasis is on interpreting Greek cuisine with a contemporary twist. We promote the flavours of our homeland. The menu specialises in seafood, and every lunch or dinner is a celebration of the senses.'

Our meticulous sourcing of the freshest seasonal ingredients and organic produce, as well as local catch and farm-reared poultry and meat, is a matter of conviction. As a Myconian family, cuisine and service remain at the very heart of our sense of hospitality, and our long-standing ties to local farmers and fishermen ensures a supply of the freshest seasonal ingredients and organic produce, some of which is also produced on our family land. We aim uncompromisingly high, because as food connoisseurs, we know all about the importance of placing the highest quality ingredients at our chefs' disposal.

## BREAKFAST AREA

Mornings at Koralı redefine breakfast luxury with gourmet suggestions that surpass expectations in terms of quality, variety and presentation. In addition to a flow of champagne, fresh coffee and juice, eggs made-to-order, bread and patisserie still warm from the oven, homemade preserves, wild honey and all manner of cereals, nuts and fresh fruit, you will find local delicacies and international buffet classics.

## BAOS FINE DINING

The legendary Relais & Châteaux gastronomic experience is interpreted with international finesse and sophistication at Baos Fine Dining.

Local ingredients grown exclusively for Korali are integral to our seasonal menus, enhanced by the passion of our chef for regional flavours and flair for innovation. Using molecular and fusion techniques, he creates dishes that taste even more spectacular than they look.

And for those who want to taste the freshest catch and finest produce in their pure form, exceptional sushi is prepared by our resident itamae chef who is a pleasure to watch as he wields his sashimi knife with surgical precision and seemingly effortless ease.

The exceptional experience in fine dining at Baos is almost outdone by the setting, poised on a hillside that slopes gently towards the windmills of Little Venice, with sweeping views of the sea to the horizon line.

## KITRINO BAR

Kitrino is situated on our beautiful deck, one of the most glamorous mingling spots on Mykonos, 'bar none' as they say. The magnificent view reflected by mirrored wall details creates a sense of being surrounded by glittering fragments of sea and sky – a spellbinding experience at sunset. Friendly, accomplished service offers light snacks and shareable delights along with smoothies and refreshments by day, moving onto signature cocktails and aperitifs. As the bar and deck light up in their seductive evening guise, the celebratory after-dark atmosphere moves into full swing against the shimmer of golden lights from Mykonos town and the island's magic comes into its own.
