LUXURIOUS ROOM & SUITES

in mykonos town

Kyma is a luxurious retreat that promises nothing less than your own slice of paradise. Few places capture the timeless beauty of bold white-washed Cycladic cubes and cobblestone streets under a deep blue sky better than Kyma.

The harmony is carried over onto sun-dappled terraces with Jacuzzis and infinity pools, and into the rooms and suites that offer crisp white interiors replete with contemporary comforts and precision in every detail.

A recent revamp added marble, wood, glass, and stone to this vernacular, infusing tradition with new vigour, complete with original artworks by well-known international artists. As a sense of wellness washes over you in this haven of tranquillity, let the wave of pleasure carry you aloft.

Restaurants & Bars

TASTE AT KYMA

a memorable experience

As a Myconian family, cuisine and service are at the very heart of our sense of hospitality, and we have cultivated long-standing ties to local farmers and fishermen.

Our meticulous sourcing of the freshest seasonal ingredients and organic produce is a core passion. We aim high – as food connoisseurs, we know that haute cuisine relies on the quality of ingredients at the chefs' disposal. Our chef's skill is therefore given free rein to set standards of excellence at every turn, from morning till night, but nowhere more outstanding than with cutting-edge cuisine at NOA Greek Restaurant.

As for George's Bar, all of our guests' paths cross there, whether it's to order fresh smoothies and ice-cold cocktails by day, or a chilled Ouzo before going out on the town.

BREAKFAST AREA

The best way to start the day is by taking in the sea views along with the plenitude of the morning buffet laden with a variety of utterly delicious breakfast favourites: organic eggs prepared however you like them; freshly-baked breads and patisserie still warm from our oven; the finest homemade preserves and wild honey; cereals that include gluten-free options; fruit, fresh juices and smoothies; as well as a select assortment of international delicacies.

NOA GREEK RESTAURANT

NOA combines culinary heritage and contemporary innovation to create haute cuisine, with rich Mediterranean flavours and appetising aromas that come into their own with the finest farm-to-table ingredients, grown, reared or fished exclusively for Kyma and meticulously selected by our executive chef.

Expect an exciting journey of Mediterranean gastronomy with traditional Greek mezethes like fried squid calamari, fava beans with octopus, lentil salad, mous-saka, pasticcio or dolmades – all tasting as if they came out of our grandmother's kitchen, but with an haute cuisine attitude.

Your experience of the subtle flavours is completed by an elegant ambience and setting of great natural splendour, with full-height bay windows taking in striking views of the Aegean and Mykonos town.

GEORGE'S BAR

If you like a lively vibe with an elegant flair, George's is the place to be. Notoriously hip yet surprisingly unpretentious, it has attracted loyal patrons from dusk till dawn since the '80s. Just because the barman serves the best coffees – from the traditional Greek brew, through latte and macchiato to refreshing freddo – doesn't mean he's not an old hand at mixing the best cocktails you've ever had. You haven't tasted a real mojito until you've had it here. Even the juices and light refreshments seem cooler here, and shareable platters from the menu are simply irresistible.
