Gastronomy

Share in our unmistakable passion for food – from sumptuous feasts on the breakfast terrace or light lunches served (from 12pm to 7:30pm) at our poolside bar, to fine dining at our renowned restaurant.

LATITUDES

Flooded with morning light and overlooking sea views that spill in through generous windows, Latitudes is the perfect place to start to your day. The lavish spread laid out by our chef includes almost everything (catering to everyone, from foodie fanatics to gluten-free, vegetarian and beyond).

EFISIA RELAIS & CHATEAUX

In the sleek dining hall of Efisia Relais & Châteaux, nature takes centre stage, from the décor to the mouthwatering dishes. World-class food exceeds expectations and dazzles diners thanks to exquisite, organic ingredients, the day's catch from nearby waters and expert cooking techniques.

GEORGE'S BAR

Our barman is an old hand at preparing a cocktail of your choice, and you can rely on him to provide the perfect accompanying snacks. Light lunches are served (from 12pm to 8pm) in the bar lounge or at your shaded lounge overlooking the Aegean.

Wellness

Immerse yourself in pure indulgence by selecting from a menu of spa classics personalised to your needs by our expert therapists, who use award-winning natural products to bring your body and mind into perfect equilibrium.

THE THALASSO SPA

One of our experienced professionals will guide you through the therapeutic benefits of three indoor pools – each maintained at different temperatures and salinity, complemented by essential oils and hydro-massage. The facilities also feature a steam room, sauna, and a range of treatments offered in our single or double therapy rooms.

YOGA

We offer yoga sessions with a personal trainer as well as exclusive yoga experiences on the secluded beaches of Rhenia and Delos, accessed by private boat. We also offer introductory classes for groups or private clients. Dedicated yoga retreats with world class teachers are available.

GYM

Our light-filled, airy gym room, open from 9am to 9pm, is well equipped with the latest in training and exercise systems, including a Pilates reformer, a combo chair and a tower unit. Private fitness training and Pilates sessions are available with a personal trainer.

The Water Element

There's nothing more relaxing than a day spent at the beach or reading on our broad daybeds by the pool, cared for by our attentive crew bringing fresh towels and irresistible complimentary treats.

POOL DECK

The magnificent timber deck surrounding the pool is a world unto itself. It's a vast expanse and, once on it, you feel as if you've set out to sea on a tide that ebbs and flows from breakfast terrace to poolside bar and back. Best of all, though, are the seamless views out over the Aegean.

BEACH

The Myconian Ambassador is situated just above Platis Gialos beach on the south coast of the island, renowned for its clear water and fine sands. Watersports are available by expert organisers. Glass-bottom boat rides and private yacht charters can be booked by our Concierge Team. Fresh beach towels are made available daily through reception.

JACUZZI

Designed to refresh and rejuvenate mind, body and soul, the Myconian Collection's selection of private outdoor jacuzzi tubs has been conceived and designed to provide an overwhelmingly luxurious journey into wellbeing through their uplifting atmosphere, combining to offer guests a supreme spa experience.

The Myconian Ambassador Experience

We offer the discerning traveller a complete leisure experience. Our experienced concierge service will be happy to assist you with any request, including recommendations, reservations, travel arrangements, bookings and private excursions to other Cyclades islands such as Delos, Tinos, Paros, Naxos and magical Santorini.
