The Hotel

O is an oasis that will reconnect all your senses to the wholeness of life. A supremely stylish luxury beachfront resort for lovers of an intimate dialogue between nature and design. A place whose rhythms align with yours through day, flowing from quiet moments of inner awareness to joyful celebrations of togetherness.

O is at the heart of it all. With its toes in the fine sand of Ornos bay, famously close to Mykonos town. Sheltered from all but a gentle breeze on the 'island of winds'. Steps away from some of the best waterfront bars, restaurants and a quaint line-up of convenience stores and water-sports concessions.

O is above all a journey of experiences. Here, everything is as slow and sublime as it gets, while at the same time deeply energising. Personalised service and privacy at every turn, poolside relaxation by day and a night-time ambience soon to be legend.

Gastronomy

Our culinary culture is expressed in everything we serve, from breakfast to light snacks, in-room orders and of course our fine dining experience.

BREAKFAST

Breakfast is a feast of fresh and healthy options that cater to all dietary persuasions, with vegan and gluten-free preferences. Follow the scent of freshly ground coffee and baked bread to start the day with a superb array of fruit, eggs a-la-carte, local delicacies and a daily variety of international buffet classics.

O BAR'S

Obar's is a central coordinate in the rhythms of O. Guests drift between the spectacular pool and the beach, enjoying cocktails and light lunches, lingering until dusk when the pool lights up with sparkling constellations and the live DJ set quickens the pulse into the night.

O RESTAURANT

Dine indoors or alfresco on the terrace above the pool, surrounded by lush landscaping and atmospheric feature lighting. A menu offers a selection of Mediterranean classis, with some creative fusion surprises. Our head chef's love of seasonal ingredients and local produce is indulged by time-honoured suppliers.

Wellness

Immerse yourself in pure indulgence by selecting from a menu of spa classics personalised to your needs by our expert therapists, who use award-winning natural products to bring your body and mind into perfect equilibrium.

O WELLNESS

Add to the restorative benefits of the Aegean and take your sense of wellbeing to the next level with a wonderful selection of rejuvenating treatments at our DTOX Spa, a veritable sanctuary of serenity and recovery.

FITNESS

Our gym room is equipped with the latest in training and exercise systems that will maximise a good workout. Yoga and Pilates are offered both as group and private classes, complemented by special events such as full moon yoga hosted on the beach.

The Water Element

The seamless connection and flow of energy between pool and beach epitomises the magic of the Myconian O.

After all, you'll be on the water's edge on one of the island's most beautiful beaches.

BEACH

With parasols standing to attention, a running supply of fresh beach towels, and Obar on call for beverages, smoothies and light snacks, Ornos beach is pure paradise for guests of the Myconian O. Nearby concessions offer a variety of water sports and experienced instructors can introduce you to an impressive complement that includes kayaking, windsurfing, waterskiing, parasailing, wakeboarding, as well as scuba diving.

POOL AREA - OASIS

The Mirage is the epicentre of chilled – cool during the day, hot by night. Complimentary poolside treats include fresh ice-teas served throughout the day, as well as spa product testing. Most guests will fall under the spell, lounging all day on soft sunbeds in the shade of palm trees, carried over by light snacks or ice-cold cocktails from the bar, until the decks are cleared at sunset and the Mirage transforms into a magical al fresco nightspot for live music and barefoot revelry.

The O Experience

At the Myconian O, we strive to anticipate our guests' wishes and exceed their expectations, offering the highest standard of service that is both personalised and discreet.

BOUTIQUE

You'd be hard-pressed to find a better source than the O Concept Store for something you didn't know you needed, curating a selection of hand-picked items for men and women, including resort wear, beachwear, on trend Mykonos nightlife picks and light, airy kaftans that are perfect for the hot Greek summers.

WEDDINGS & EVENTS

We are always delighted to cater to small groups or newlyweds who would like to celebrate in the luxury and intimacy of our suites. However, for wedding banquets, conferencing and corporate retreats, we are able to call on the extensive experience, state-of-the-art facilities, transport fleet and event catering prowess of our sister hotels in Elia.
